

Former "Dallas" Star Patrick Duffy Lists Oregon Ranch for \$14 Million

Eagle Point, Oregon – Actor and TV Icon Patrick Duffy is selling his 390-acre property in Eagle Point, OR for \$14 million. Duffy is best known for his role as Bobby Ewing on the CBS primetime soap opera Dallas that ran from 1978 to 1991. In 2012, Duffy reprised his role as Bobby in TNT's continuation series of Dallas. He is also well known for his role as Frank Lambert in the 90s TV sitcom Step by Step on ABC, and for his role as Stephen Logan on the CBS daytime soap opera The Bold and the Beautiful.

The Duffy Ranch is located just outside Medford, Oregon, and is one of the most pristine properties in the Pacific Northwest, with 390 acres set along two miles of the majestic Rogue River.

The property offers unique privacy and includes 14 legal parcels, with a total of seven homes, with several providing rental income. The lodge-style primary residence on 79 riverfront acres has an inviting character with custom touches, including an art gallery/library, two porches, an office, a walkway to a spa cabin, a custom-built large wine cave, pool house, and large professional garden.

There is also a detached two car garage, and two guest homes in this bucolic setting. There are more than 100 acres of irrigated ground and a tranquil 2-acre fish-stocked recreation/irrigation pond. An abundance of wildlife thrives on this property, including a resident elk herd, turkeys, a vast array of birds, and large black-tail deer. Rarely does a special property like this come on the market. It will be greatly appreciated by those seeking a true generational sanctuary.
